RE: Specification #54186 Fasson® EST#14 PCW/AT20N/1.2M PET

Dear Scott Pillsbury,

Thank you for your inquiry regarding the Fasson® product listed above.

Fully repulpable, AT-20-N meets the testing criteria of the Tag and Label Manufacturing Industry Recycling Compatible Adhesive LRP-2 Lab Test Protocol. This test confirms that the adhesive meets key criteria of the recycling industry and ensures that AT-20-N products may be fully recycled at the label's end life.

We believe this information is accurate and is offered in good faith. This information is subject to revision when additional knowledge/information is gained.

I trust we have answered your questions. For more information, please contact your Sales Representative or Customer Service Consultant.

Sincerely,
Lauren Kobetitsch
